

UNITED STATES DISTRICT COURT  
DISTRICT OF NEW HAMPSHIRE

United States of America

v.

Criminal No. 05-cr-250-01-SM

Amy Halle

ORDER

Re: Document No. 16, Assented to Motion to Continue  
Sentencing Until December 2007

Ruling: Granted. This is an old case, and multiple continuances have been granted for the convenience of the defendant and government relative to defendant's ongoing cooperation in another prosecution. While it is obviously beyond the control of the government and defendant that the other prosecution resulted in a mistrial and the retrial has been scheduled for the Fall, and while the court understands the government's wish to make defendant available to testify and defendant's wish to fully cooperate before she is sentenced, her case cannot be indefinitely stalled because of her cooperation in other cases. This continuance will be the last, absent extraordinary and unforeseen circumstances (which will not include further delays in the other case). Moreover, the court is aware of defendant's lackluster compliance with the terms of her release. Obviously, defendant's failure to fully comply, in letter and spirit, with the terms of her release will result in either termination of bail, acceleration of her sentencing hearing, or both.
